Banco Santander International;

To whom this may concern;

I would like to take this opportunity to express my opinion based on the ongoing relationship with Ms. Janice Nath from Ambius and my company, B.S.I.

This has been a very pleasant experience working with Ms. Nath's wide experience when it comes to transforming a space with floral arrangements; also her openness to listen, and provide any advice to make the very best outcome of an empty space. Her ability to incorporate colors and Art, that creates a warm atmosphere for her clients.

We are very pleased having Ambius and Janice taking care of our needs.

Sincerely.....
