To whom it may concern;

The Sheraton Carlsbad Resort & Spa is pleased to offer this letter of recommendation for Ambius. Janice Nath, our Sales Representative, is very knowledgeable and a delight to work with. We have found the quality of their plants and the quality of their work to be of the highest standards.

Janice helped us to come up with a plan to create a beautiful environment in the lobby of our new resort. The plants worked out wonderfully and the plant containers perfectly tied to the concept as well. She is always very responsive and is always willing to help. When we had a problem with the size of some of our plants for our conference center we had new plants the very next day – a testament to her ability to make things happen.

I would certainly give them my stamp of approval for any project that you are considering and would be happy to discuss their service further if necessary at 760-827-2412 or email at rblake@sheratoncarlsbad.com.

Sincerely,

Rachel Blake
