Hello, Sandy and Janice –

Our Christmas tree this year is one of the best and most beautiful ones I have seen in the over 20 years I have been at the hotel. It is spectacular and so very festive. I know you all spent hours and hours to make it so gorgeous – thank you for this. It is a joy to look at and truly puts one into the Christmas spirit.

I may just move my desk into the lobby for the month of December!

See you again soon,

Helga
