

Certificate of Sponsorship

August 2010 Certificate No. 10297

This is to certify that **Ambius** has secured an eighty five acre block of mature rainforest and has kept 22,100 tonnes of CO₂ where it belongs.

This sponsorship is protecting 3,740 mature trees, 16,150 saplings, 6 endangered animals, 322 types of plant and over 11,000 species of insect and worm.

This sponsorship has secured rainforest in the following area:

Cutivireni, Peru

In partnership with Cool Earth Action **Ambius** is working to halt climate change by protecting the world's most endangered rainforest.
