**Why Leave Your Walls Bare?**

Create a unique environment that will make an impression on your employees, clients, and visitors with a SmartWall from Ambius. The SmartWall is a smart, sensible solution for indoor office environments such as lobbies, reception areas, and high traffic locations. It’s beautiful, durable, eco-friendly, and easy to customize.

**Why A SmartWall?**

- Living Green Walls make a dramatic brand statement and show support for green initiatives and the environment.
- Help the environment by absorbing carbon dioxide, producing clean oxygen, and reducing noise levels.
- Studies show plants reduce stress and enhance well-being.
- Plants in a workplace are shown to increase employee productivity and can lead to reduction of sick days.
